

ACM20117
**Certificate II in
Animal Studies**

(Companion Animal Industries)

Want to get your animal care career started?

ACM20117 Certificate II in Animal Studies is the best choice for those who are employed or seeking paid employment in a companion animal organisation. This can include kennels, catteries, pet shops and other areas of the animal care industry. This course will allow you to gain a range of basic animal care skills tailored for work in the companion animal industries.

A number of the units within this qualification can be used towards higher level qualifications in the Animal Care and Management Training Package (ACM).

Core Units Cover:

- ACMWS201 Participate in workplace health and safety processes
- ACMGAS201 Work in the animal care industry
- ACMGAS202 Participate in workplace communications
- ACMGAS203 Complete animal care hygiene routines
- ACMGAS204 Feed and water animals
- ACMGAS205 Assist in health care of animals
- ACMGAS206 Provide basic first aid for animals
- ACMSUS201 Participate in environmentally sustainable work practices

Choose from electives that cover:

- Basic care of birds, dogs, cats, rodents and fish
- Providing information on companion animals
