Who is this suitable for?
Are you a qualified Certificate IV Veterinary Nurse looking to advance your knowledge and skills in veterinary nursing and leadership? Do you have a passion to learn and introduce advanced nursing skills and care within the workplace?

Unlike the Emergency and Critical Care and Surgical Diplomas you do not have to be working in a specialist or emergency facility. The course is specifically for nurses working in general practice.

Entry Requirements
- Current Certificate IV in Veterinary Nursing
- Have worked at least 4-5 years in the veterinary industry
- Minimum 25 hours paid work per week in a veterinary clinic/hospital
- Reliable internet access and an email address

Core Units cover:
- ACM50512 - General Practice Diploma of Veterinary Nursing
- ACMSUS301A Implement and monitor environmentally sustainable work practices
- ACMVET509A Manage Veterinary Nursing Procedures
- ACMVET510A Apply Veterinary Nursing Pathophysiology
- ACMVET511A Apply Principles of Animal Behaviour
- ACMWHS501A Manage workplace health and safety processes
- BSCBUS501C Manage quality customer service
- BSBWOR502B Ensure team effectiveness
- TAADEL402A Facilitate group-based learning

* To begin the above units you must have already completed the 19 core units from ACM40412 Certificate IV in Veterinary Nursing. If you do not already have all of these units we can arrange to deliver or assess you in them.
